

**EUROPEAN COMMISSION**  
HEALTH & CONSUMER PROTECTION DIRECTORATE-GENERAL

Directorate D - Animal health and welfare  
**D1 - Animal health Standing Committees**

**SANCO/10401/2007**

**Overview of the Internet links provided by the Member States for ABP issues and to the national lists of establishments approved under Regulation (EC) No 1774/2002**

**(distributed by DG SANCO D1 to the delegates of the Member States in preparation for the meeting of the Animal By-Product Working Group on 12 October 2007)**

**THIS DOCUMENT DOES NOT NECESSARILY REPRESENT THE VIEWS OF THE COMMISSION SERVICES**

The table below has been compiled by the Commission Services and based on submissions from the Member States and certain third countries. As such, it might need to be up-to-dated and is presented here only for information and practical purposes.

The data it contains are intended however be used to improve and update the data contained on the single and central web page of the Commission created for easy access purposes and which can be found under:

[http://ec.europa.eu/food/food/biosafety/establishments/list\\_abp\\_en.htm](http://ec.europa.eu/food/food/biosafety/establishments/list_abp_en.htm)

To that effect Member States are hereby asked to check their own links and if it needs to be updated and/or amended send the information to the following e-mail address: [laszlo.kuster@ec.europa.eu](mailto:laszlo.kuster@ec.europa.eu)

In addition to that and with a view to discuss at the ABP Working Group on 12 October 2007 the various experiences, difficulties, good examples and most workable models encountered during national-level implementation of the relevant rules, the Member States are asked to do the following:

1. Check whether their own list of establishments have been arranged according to the requirements of Regulation (EC) 1192/2006  
([http://europa.eu.int/eur-lex/lex/Result.do?T1=V2&T2=2006&T3=1192&RechType=RECH\\_naturel&Submit=Search](http://europa.eu.int/eur-lex/lex/Result.do?T1=V2&T2=2006&T3=1192&RechType=RECH_naturel&Submit=Search))
2. Check if their own list of establishments have been arranged according to the requirements of the agreed technical specifications  
([http://ec.europa.eu/food/food/biosafety/animalbyproducts/LoPtechnicalspecifications\\_en.pdf](http://ec.europa.eu/food/food/biosafety/animalbyproducts/LoPtechnicalspecifications_en.pdf))
3. If those requirements under point 2 and/or 3 above are not yet met, provide information/intention concerning future national developments on this area.
4. If they wish, see the indicated web pages of other Member States from the point of view of and simulating an interested stakeholder not speaking the given language, wishing to get easy access in particular to the list of ABP establishments.

Table of the Internet links to ABP issues as submitted by Member States and certain third countries to the Commission Services
